Unlikely to be an issue, but just in case someone wants to bring 11 children:

There must be at least one (1) chaperone for every ten (10) guests under the age of eighteen, and chaperones are responsible for the supervision of their group members at all times during their stay in Residence.

For any circumstance after these times that an individual from the group requires a staff member to provide a replacement key the group will be charged \$15. To avoid charges, the U of S will supply an additional set of keys to the Coach/Manager of the team. It is the Coach/Manager's responsibility to have the keys in safe keeping at all times, and hand out only to team members that are staying in that particular room. Lost or stolen items will not be the responsibility of the University of Saskatchewan.
